4. **Main Topics: Cherokee CID By the Numbers**

- Emily gives a presentation on the data of the street “By The Numbers.” 149 businesses active or about to open. 14 new businesses open in last fiscal year, 4 reopens/expansions, 17 businesses closed. 6 have closed since July, 12 businesses that have newly opened or about to since July. 195 businesses have operated on Cherokee in the last 5 years. 38 businesses that have been around for 10+ years. 23% of businesses have lasted more than 10 years. In Missouri, its 31%, US is 34%. 55% of 83 businesses opened in last 5 years are still open. Cherokee Street is about in line with US. “Fastest growing commercial district in St. Louis.” Ways to strengthen the street. Create public spaces where people want to be. The CID is helping to provide resources for businesses to help them succeed. What you can do – join the large committees, continue to support small businesses
